

*Christmas 2007*

*Dear Family and Friends,*

*Well, once again we look back on a year full of activity and excitement, wonderful visits with family and friends on two Continents, but also sadness about health problems of some very dear to us.*

*This has also been a year of many special celebrations, a golden and a silver anniversary for two of Henk's brothers, the silver anniversary of Linda's brother, Henk's oldest brother turning 80, Henk himself turning 75, Linda's mother enjoying her 95<sup>th</sup> and Marina turning 40.*

*We were lucky to be able to attend at least quite a few of these events, including both silver anniversaries. In fact, the one in Holland was part of our grand time living for almost a month like a Dutch couple in the home of a Dutch niece near the beautiful City of Haarlem.*

*This was also the year that Linda became a golf member of the venerable Hunt Club, where we have relished not only the golf but also the cuisine and a number of special social occasions to share the gorgeous setting with others.*

*We wish all of you a special time over the Christmas Season and memorable times in the New Year !!*

*Linda and Henk*
