MEMORANDUM TO: Henk Ploeger
 Acting Assistant Deputy Minister
 Office of Economic Policy

Dear Henk,

I would like to thank you for the very professional and dedicated manner in which you have handled your duties as acting Assistant Deputy Minister in the Office of Economic Policy. Your advice and support during this period have been most helpful to both me and the Treasurer. I am particularly pleased with the way in which you participated before the Standing Committee on Finance and Economic Affairs and for the support you have provided to me in our work on municipal infrastructure financing. Your objective views at TEC and HRC have also been most helpful.

I know that Bob Christie can look forward to your continued strong efforts as he assumes his new responsibilities and I am very glad that you are there to lend him support.

Mary
